Commentary

In general, this edition closely follows the principal source. Any changes that were introduced by the editor are indicated by italic type (lyrics, dynamics and directives), parentheses (expressive marks and bass figures) or dashes (slurs and ties). Accidentals are used according to modern conventions. For further details, consult the Editorial Guidelines available on the Edition's webpage.

Asterisks denote the following emendations:

Bar	*Staff*	*Description*
–	–	**A1** is a setting of the psalm *Dixit Dominus*. By contrast, **B1** and **D1** contain five vesper movements. Most likely, the original psalm setting was arranged to a vesper by Johann Wittmann of the Lambach abbey. This is corroborated by the title page of **D1** ("[…] Ex Michaelis Haydn unico Psalmo: | Dixit Dominus traductae, et transformatae | per D. Joannem Wittmann, Musicum Lamba- | censem"). **D2** contains an additional setting of *Laudate Dominum* by Luigi Gatti. Overall differences between **A1** and the remaining sources are described below. Generally, vocal parts have been considerably modified to accomodate the different lyrics.
1–68	–	**B1** comprises the complete text of *Dixit Dominus* as 1st movement and has 103 bars (**A1**: 68 bars): 8 and 22 bars have been inserted after bar 43 and 57, respectively; bars 64–68 have been replaced with 10 bars.
21	B	4th ♩ in **A1**: b4
69–214	–	**B1** comprises the text of *Confitebor* as 2nd movement and has 154 bars (**A1**: 146 bars): 9 bars have been deleted after bar 77, and bars 207–214 have been replaced with 25 bars.
215–278	–	**B1** comprises the text of *Laudate pueri* as 4th movement and has 76 bars (**A1**: 64 bars): Bars 215–223 have been deleted, and 21 bars have been appended.
279–358	–	**B1** comprises the text of *Beatus vir* as 3rd movement and has 94 bars (**A1**: 80 bars); 1, 1, and 6 bars have been inserted after bar 302, 303, and 309, respectively; bars 349–358 have been replaced with 16 bars.
359–441	–	**B1** comprises the text of *Magnificat* as 5th movement and has 137 bars (**A1**: 83 bars): Bars 359–362, 380–393, and 416f have been replaced with 8, 47, and 19 bars, respectively.
410	vl	6th ♪ in **A1**: f♯'8
