Commentary

In general, this edition closely follows the principal source. Any changes that were introduced by the editor are indicated by italic type (lyrics, dynamics and directives), parentheses (expressive marks and bass figures) or dashes (slurs and ties). Accidentals are used according to modern conventions. For further details, consult the Editorial Guidelines available on the Edition's webpage.

92–122	–	In the single known source **B1**, violins and trombones pause in this movement. However, it is highly likely that a solo instrument has been lost during the creation of the manuscript copy. Thus, addition of, e. g., a trombone solo is left as an exercise for the period performer.
