## Commentary

In general, this edition closely follows the principal source. Any changes that were introduced by the editor are indicated by italic type (lyrics, dynamics and directives), parentheses (expressive marks and bass figures) or dashes (slurs and ties). Accidentals are used according to modern conventions. For further details, consult the Editorial Guidelines available on the Edition's webpage.

Asterisks denote the following emendations:

## Lyrics

Furiae vos divae abyssi volate, properate,  
huc date tela haec ad bella,  
huc lacerate,  
mactate crudelem  
iniquam barbaram.  
Sed cur, furiae, sed cur ipso  
in Matris sinu non lacerastis,  
cur non tunc tentastis,  
cur non secluso timore  
in primo mactastis  
aetatis flore impiam?

Gratiae vos divae Parnassi volate, properate,  
huc date favos, fer te mella,  
suavitate victricem  
formate Catharidem.  
Sed cur, gratiae, vos moror  
in Matris sinu iam obfirmastis,  
in ore mellificastis,  
cuius vix enim mundo  
adnata illico aevi sui facta  
e decus et gloria.
