Commentary

In general, this edition closely follows the principal source. Any changes that were introduced by the editor are indicated by italic type (lyrics, dynamics and directives), parentheses (expressive marks and bass figures) or dashes (slurs and ties). Accidentals are used according to modern conventions. For further details, consult the Editorial Guidelines available on the Edition's webpage.

Lyrics

Salutis humanae sator,
Jesu, voluptas cordium,
orbis redempti conditor,
et casta lex amantium.

Qua victus es clementia
ut nostra ferres crimina
morte subire innocens
a morte nos ut tolleres.

Tu dux ad astra et semita,
sis meta nostris cordibus,
sis lacrymarum gaudium,
sis dulce vitae praemium.

(Cantus Index 008331.1)
