Commentary

In general, this edition closely follows the principal source. Any changes that were introduced by the editor are indicated by italic type (lyrics, dynamics and directives), parentheses (expressive marks and bass figures) or dashes (slurs and ties). Accidentals are used according to modern conventions. For further details, consult the Editorial Guidelines available on the Edition's webpage.

Asterisks denote the following emendations:

<i>Bar</i>	<i>Staff</i>	<i>Description</i>
–	–	A1 contains two different tempo indications, both of which are not by Werner: First, “Larghetto” was added to B, vl 1/2, and org in pencil. Second, it was crossed out and replaced by “Allegretto”, which was also added to the remaining parts.
